Student Name:	Grade:	Age:
---------------	--------	------

Dear Teacher:

The above named individual is a Tae Kwon Do student at Kim's Karate. He/She is preparing for their promotional testing. In addition to the physical requirement of Tae Kwon Do, we instruct our students in the Five Tenets of Tae Kwon Do: 1) Courtesy; 2) Integrity; 3) Perseverance; 4) Self-control; and 5) Indomitable spirit.

One of the goals of our Martial Art is the development of good citizens. We try to assist our students in developing good habits that will last a lifetime.

We request that you donate a little of your time to assist us in understanding the needs and strengths of this student outside of our school environment. Your input will provide a more rounded view of the student and facilitate our ability to focus on the specific needs of this student.

The student is required to return this assessment/feedback report to Kim's Karate prior to promotion.
